

## Desktop (How to rename)

How to rename yourself in Zoom:

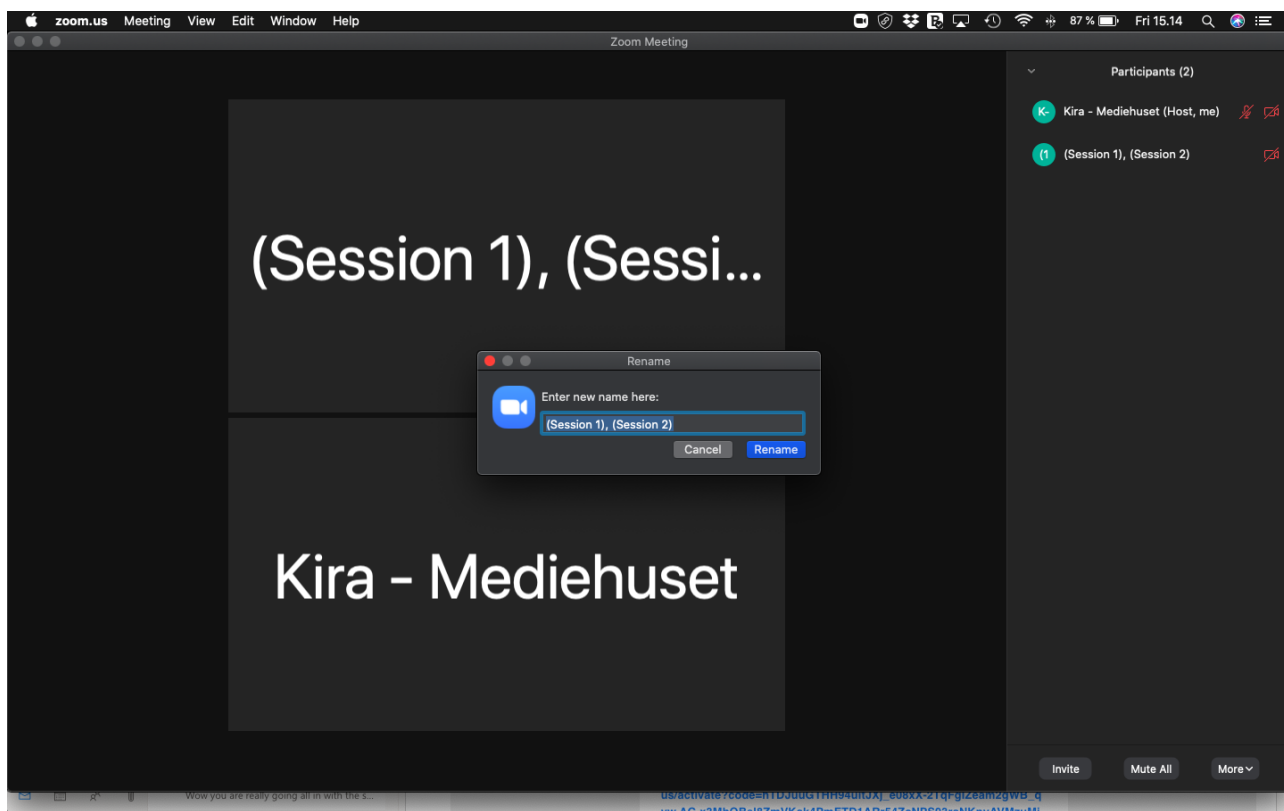

1. Hover / move your mouse over your own name (In this case “test”) and click on the three dots

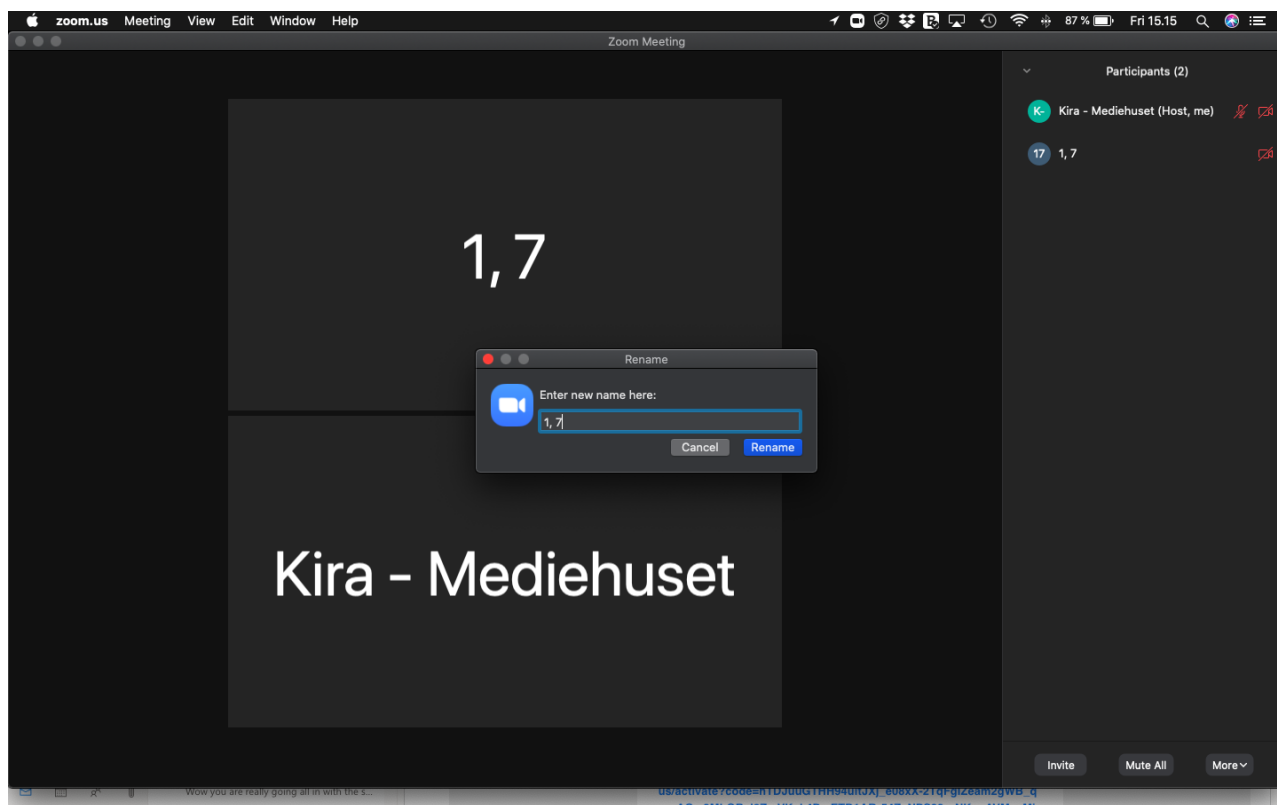

2. On the drop-down menu click “Rename”

3. When renaming;  
Your name should be the two sessions, you will be participating in during the day.

Example: If your first session is 1 and your second session is 7 – write “1,7”

Then click “Rename”.
