

Mobile (How to rename)

How to rename yourself in Zoom:

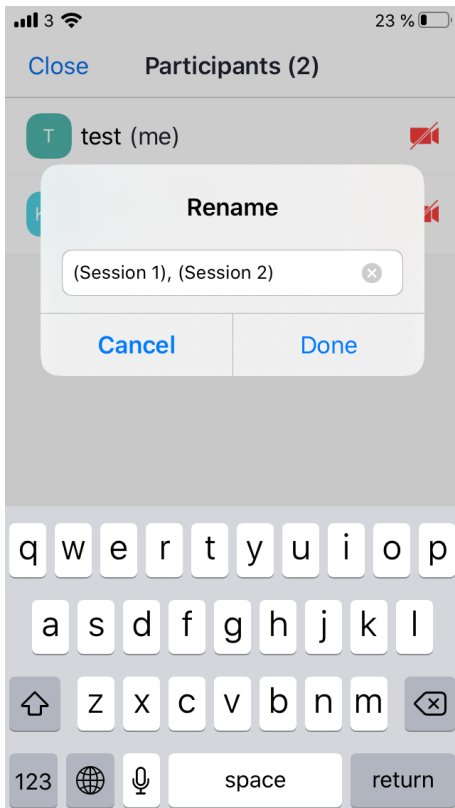

1. Click on participants

2. Click on your name – in this example “test (me)” then click on “Rename”

3. When renaming;
Your name should be the two sessions, you will be participating in during the day.

Example: If your first session is 1 and your second session is 7 – write “1,7”

Then click “Done”.
