

WEB BROWSER (How to rename)

How to rename yourself in Zoom:

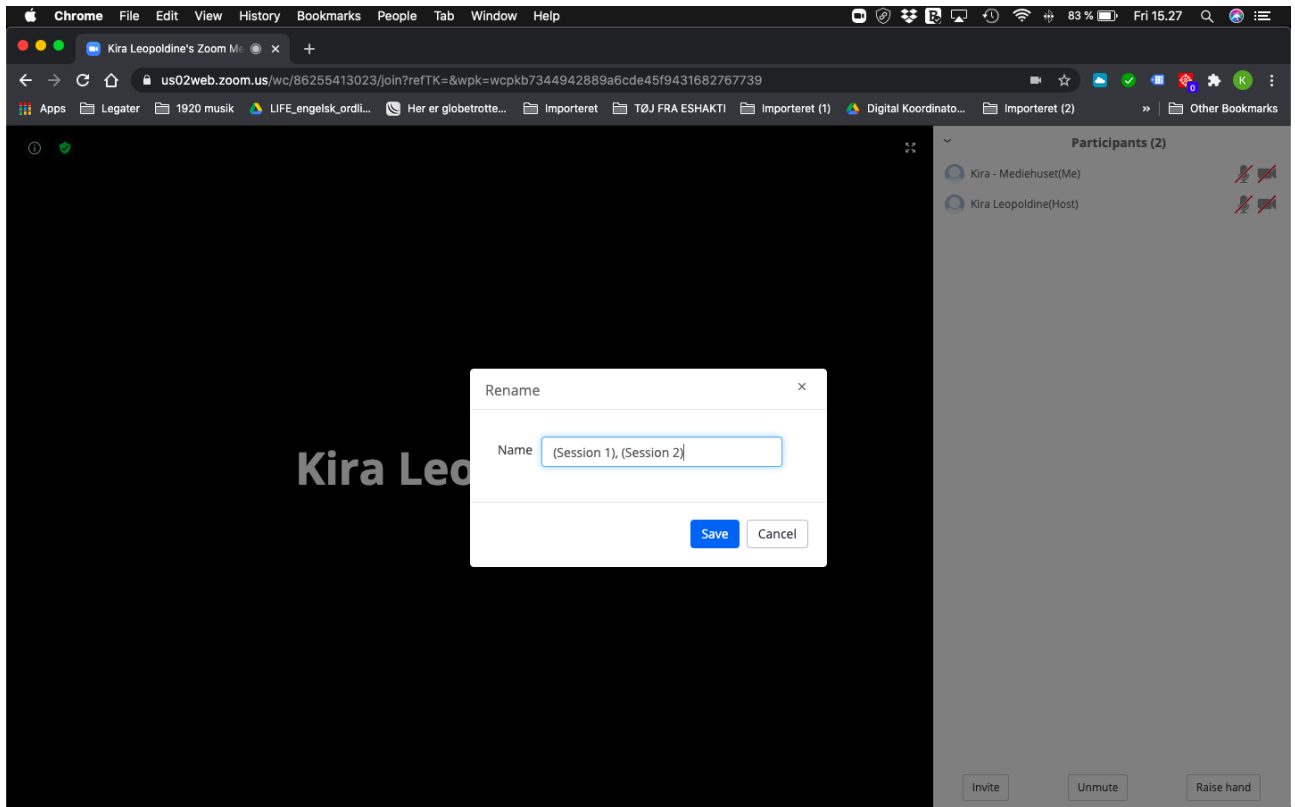

1. After joining the meeting click on participants

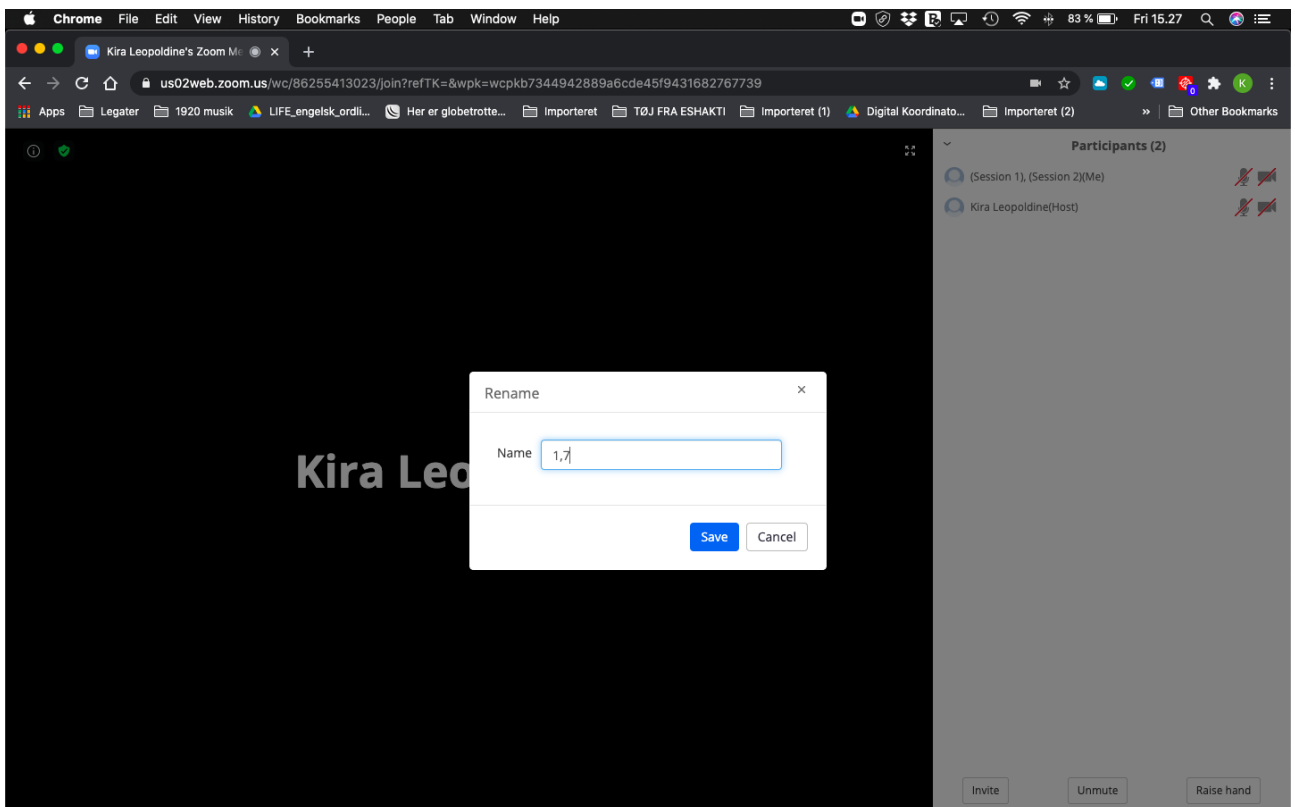

2. Hover over your name / Move your "mouse" to your name - and click "Rename"

3. When renaming;
Your name should be the two sessions, you will be participating in during the day.

Example: If your first session is 1 and your second session is 7 – write “1,7”

Then click “Save”.
